

**WITH DEPRESSION, LIFE GOES ON.  
YOU'RE JUST NOT PART OF IT.**

**If you're feeling sad or isolated, call about our clinical research study.**

Have you or someone you care about been suffering from the symptoms of depression for at least the past few months?

Symptoms can include:

- Hopelessness
- Sadness
- Lost of interest in daily activities
- Loss of energy
- Difficulty concentrating
- Feelings of isolation

If so, you may qualify to participate in an important clinical research study. This study will see if a new investigational medication is safe and effective among people with Major Depressive Disorder (MDD). Qualified participants must be between the ages of 18 and 64.

There is no cost to study participants for visits to the study doctor, medical exams, or study medication.
